- Implementing web design and development principles to build stable software.
- Worked with team on an E-Commerce website with users spread all over the world.

Software Developer.
Red Stag Labs Pvt. Ltd.

12/2019 - 09/2020   *Srinagar*

Red Stag Labs is a Software Development and ERP solutions company. We come up with solutions that meet clients' needs, expectations and budgets.

Achievements/Tasks

- Started working with React JS.
- Bringing mock-ups to life using JSX, CSS3, SCSS and JavaScript.
- Collaborating closely with the team to support projects during all phases of delivery.
- Building websites and apps that are responsive and re-usable.
- Monitoring website performance and rectifying front-end related issues.
- Communicating technical issues in an understandable manner to the team and clients.
- Identifying innovative ideas and proof of concepts according to the project requirements.
- Maintaining an organized workflow using a project management tool (like GitHub).
- Fixing Bugs and Implementing Improvements and new features.

SKILLS

React HTML5 CSS3 SCSS SASS
JS ES5 ES6 and Above Bootstrap 4
Material UI Semantic UI Bootstrap 5 SEO
WordPress WooCommerce AJAX JSON
Elementor jQuery GIT Adobe Xd
API's Postman Consuming API's cPanel
JIRA Adobe Premiere Pro Adobe Photoshop
DBeaver Chart.js AG Grid React

MAJOR PROJECTS

An E-Commerce Project "www.kashmirbox.com" (06/2019 - 11/2019)
- A single vendor E-commerce platform that has buyers spread all over the world.

An E-commerce Project "shirmal.in" (12/2019 - 09/2020)
- A multi vendor E-Commerce web app created using React.js and Java with thousands of users in Srinagar.

ROI Maximize. (02/2021 - Present)
- A Sass platform will be used by many hotels all across the world to analyze and manage not only the Revenue of Hotels, but also to configure everything. This software suggests the improvements that a particular hotel can make to maximize its revenue of interest and we can also forecast the future month sales and all. A beautiful Sass platform that i've worked so far.
